Let's keep our members updated about our work by emailing Valerie Kerwin for the Newsletter. Let us know of your work being shown, so it will go in the upcoming September Newsletter. You can also send out announcements of your exhibitions....past and present. Also, if you have seen an exhibit in another city that you would like to write about, we will be able to share those enthusiastic stories to our members in the newsletter.

If you have pictures please send them as attached Jpg. files. They will look a lot better and be much easier to attach to the newsletter.
